## Alula (Smartphone App)

- To access your alarm system from your Smart Phone please visit the appropriate App Store or Market and search for **Alula**
- This is a FREE download with the activation of your Interactive Services device.
- To get started please enter the UNIQUE username and password which has been assigned to your account.
- For additional contacts, please enter the username and password assigned to that user.
- The keypad icon will then appear on the Smart Phone screen, please click the icon and begin your Interactive Services.
- The **alula** app is available on iPad, iPhone, and Android phones.
